

## Product Delivering Letter

### **Thank you for your interest in Falcon's Body-Worn Cameras.**

We have over 20 years of experience in the field of Body-Camera, we are confident in providing our customer the power to capture details under extreme circumstances.

#### ***Why Falcon?***

- Falcon provides a professional set-up team sent directly from the factory to ensure the stable running of our products.
- We are the only Body-Camera that supports 4G networking with local Sim-card inserted that can be used as a Hand-held Radio.
- Our device has a built-in Screen for immediate review of any filmed videos and images.
- Ability to have secured evidence; No personal can delete anything from the device, only authorized user can have the access.
- Cloud upload; Device access. Set-up team can modify the Body-Camera to upload everything to the Cloud with no-delay, Remote setting, view of content and locations available.
- AI- Face Recognition; All the Falcon products provide AI algorism. Upon uploading information of suspects, the Body-Camera can notify the officer immediately when scanned.
- Non- Interrupting Filming; Falcon's Body-Worn camera allows the user to change battery while on-duty the internal battery will give user 1-minute of running time while the new battery is inserted. Each switchable battery has 8 hours of filming duration.

*We wish to accompany you on this journey by providing the safety and justice you deserve.*
